**HYPERTUFA POTS**

Wednesday, July 19, 10:00 a.m.
Wednesday, July 26, 7:00 p.m.
Carolyn Donahoe
Held in the Garden

Make your own containers for those hard to grow plants or just make them to enjoy. These containers are made from a cement mix that you can do yourself. At the conclusion of this hands-on workshop you’ll have made a pot to take home. They can be made in many different shapes and sizes and can even spend the winter outdoors. There is a $15.00 charge for materials and is limited to 20 participants.

**EVENING IN THE VEGETABLE GARDEN**

Tuesday, August 22, 2006
6:30 p.m.
Ana Dittel, Linda Peters & Bob Williams
Held in the Garden & Mtg. Rooms

Join us in the vegetable garden. See how we grew the many varieties of tomatoes, beans, and peppers, and enjoy a taste. Learn more about our High Yield/Small Space raised bed vegetable garden and the succession of plantings in that bed.

**WILDLIFE IN YOUR BACKYARD**

Tuesday, September 19, 2006
10:00 a.m.
Ila Myers & Tita Lewis
Held in the Mtg. Rooms

Do you enjoy watching hummingbirds, butterflies, eastern bluebirds, yellow finches, and other “critters”. You might be surprised to learn how just a few plant changes can bring even more wildlife to your yard. Learn about native plants that will thrive in Sussex County and how these plants will attract wildlife that is just looking for a place to call home!

**INTEGRATED PEST MANAGEMENT (IPM)**

Wednesday, August 9, 2006
7:00 p.m.
Boots Conaway
Held in the Mtg. Rooms

IPM is the practice of re-bugging the garden by luring beneficial insects to do the work of chemicals so that a natural ecosystem is created thereby making less work for the happier gardener.

**GROWING & USING CULINARY HERBS**

Tuesday, August 29, 2006
10:00 a.m.
Bev Thierwechter
Held in the Garden & Mtg. Rooms

Come learn about some common culinary herbs—cultivation, culinary uses, recipes and a tasting. Take a Cook’s Tour of the herb garden at the Georgetown Demonstration Garden.

**COMPOSTING**

Tuesday, October 17, 2006
2:00 p.m.
Garland Saville
Held in the Garden

You can’t NOT compost! Learn “how-to” and then utilize the results to aid in soil conditioning.

**DIGGING & STORING SUMMER BULBS**

Wednesday, September 27, 2006
10:00 a.m.
Cindy Marvil
Held in the Mtg. Rooms

Demonstration on digging and storing bulbs of all kinds such as caladiums, dahlias, gladiolas, cannas, callas, and many others. Learn the different techniques, when to dig, how to inspect and store them for the

**MAKING HOLLY HOLIDAY CARDS**

Wednesday, October 25, 2006
7:00 p.m.
Donna Fuhrman
Held in the Mtg. Rooms

Hands-on workshop to learn how to create holiday cards using a holly motif. Bring your kids and grandkids for a fun evening! There is a $2.00 charge for supplies.

---

NOTE: Classes are held in two locations. Please note location and time when you register.
The Sussex County Extension Office is located on U.S. Route 9, (County Seat Highway.) From the intersection of Rt. 113 & 9, travel West 4.7 miles. Travel past Sussex Tech High School and the office is on the right. From the intersection of Rt. 20 & 9, travel East 2 miles. The office is located on your left. The Demonstration Garden is located behind the Sussex County Office (Carvel Bldg.) Look for a blue & gold tent. For classes held in the meeting rooms, enter through the front lobby entrance. Rooms are located north and south of the lobby. Signs will be posted for your convenience.

For Assistance with Home Lawn, Garden and Pests Contact:
Sussex County Garden Helpline
302-856-2585 Ext. 535
April 15 thru October 15
10:00 a.m. - 2:00 p.m.

For Assistance with Home Lawn, Garden and Pests Contact:
Sussex County Garden Helpline
302-856-2585 Ext. 535
April 15 thru October 15
10:00 a.m. - 2:00 p.m.

Soil Testing is an important tool. It helps grow healthy plants, saves time and money, and protects the environment from excessive nutrients. Soil testing bags are available at each workshop. Cost is $7.50 each. Please allow 4-6 weeks for results.

Who We Are:
Master Gardeners enjoy gardening, have gardening experience, want to learn more about gardening and have a desire to help others in their community. They have all completed an intensive training program, and volunteered a minimum of 45 hours during their first year. Master Gardeners extend the home gardening outreach of Delaware Cooperative Extension. For more information visit our Web site at http://www.rec.udel.edu/Extension/MasterGardener.
